Nevada City –The South Yuba River Citizens League (SYRCL), who has been protecting and restoring the Yuba River for the past 33 years, invites the community to get **Wild for the Yuba** at its annual auction and wine and beer tasting experience on Saturday June 4, 2016, from 5:00-9:00pm at the historic North Star House.

The event features live music from Swamp Zen, who combines the funk of James Brown, the song writing of Van Morrison, and the winding improvisation of the Grateful Dead to create their own brand of original dance music. On June 4, dust off your dancing shoes and prepare for this night to remember.

Wild for the Yuba is SYRCL's biggest annual party for the river with one of the region's largest auctions. Great deals abound with items ranging from adventure packages, vacation stays, local services, fun festival passes and more.

The evening also will feature great food from the Lamb and the Wolf Greek food truck and the Horn of the Bull taco stand. Attendees will enjoy beer or wine tastings from 14 wineries and breweries, all showcasing their finest libations. The first five tastings are included with the even ticket, but guests will be able to purchase additional tastings, too.

“Wild for the Yuba is SYRCL's summer river season kick-off, and is a great way to support SYRCL's work to protect and restore our watershed throughout the year,” said Executive Director Caleb Dardick. “We invite you to join us as we celebrate our local treasure, the Yuba River, and contribute to the work SYRCL is doing to improve conditions on the Yuba through education, advocacy and restoration.”

Tickets are available in advance at the SYRCL office, and online at www.yubariver.org. Tickets may also be purchased at the door on the night of the event. Advance purchase prices are \$25 per person for current SYRCL members and \$30 for the general public. At-the-door pricing is \$30 per person for SYRCL current members and \$35 for the general public. Purchase a discounted Designated Driver ticket or a Youth ticket (12 & under) for only \$15.
