

## SOUTH YUBA RIVER CITIZEN'S LEAGUE

Marysville Appeal-Democrat 1 Sep 2019 Submitted photo and content

On September 21st, we'll be removing mounds of garbage, piles of trash, and dens of debris at the South Yuba River

Citizens League's (SYRCL'S) 22nd Yuba River Cleanup. Our volunteers have been waiting all summer to haul out tires,

toilets, pvc pipes, wiring, tubing, mattresses, plastic bags, straws, sandwich wrappers, diapers, cigarette butts, and more.

It's intense work, but we're doing it because we love the Yuba River.

We want it to be safe and clean. you can help by giving to SYRCL'S Clean-a-thon. Your donation provides much-needed financial power so we can harness the people power for this critical community event.

And, your contribution is especially important because we're finding more and more irresponsible dump sites that are impacting the river. In fact, we've just added a new site along the Middle Yuba that's been plagued by abandoned furniture, box springs, tires, and household junk.
